

Lake Norman High School Softball Sponsorship Information

Hello,

My name is Bob Hall and I am the head coach of the Lake Norman High School softball program. I have asked each of our players to contact individuals or businesses that they believe would like to partner with us in supporting our athletes as they pursue their goal of competing for the IMECK 4A Championship. Our program made it to the 3A playoffs in 2009. Last year we moved to the IMECK 4A. We came in 2nd place for season but won the Conference Tournament. We went on to the Elite 8 of the State Championship. We have set our goals very high for this year and need your help to accomplish these goals.

Currently we use a temporary fence for our games. While this is functional for games, it doesn't allow us to prepare like we need to considering that we will carry 27-30 young ladies on the JV and Varsity rosters. It doesn't allow for efficient practices.

Your sponsorship will allow us to upgrade our facility and install a standard 6ft. fence for the outfield. This will allow us to compete at the highest level. It will allow us to install hitting stations and an additional batting cage behind this fence, and greatly increase our practice areas.

All sponsors will be added to our sponsor page on our web site www.lnhsoftball.com and will be listed in our program or mentioned by our announcer for all home games. In addition depending on your level of sponsorship the following items are available.

- Banner 3' x 5' posted on Fence \$500/year (**Special \$500 for two years**) Everything below this.
- Announcement on PA system at least once per home game \$300/year
- Web Site Ad \$200/year
- Team plaque and photo \$150/year
- Sponsor Hat and Shirt \$100/year

I want to personally thank you for your support. We will do our best to make you proud of us on and off the field.

Coach

Bob Hall
